Hi Lorena,

OK, Great! Please do me a favor and check with the terminal operator (Letty or Octavio) and find out where our downstairs "donkey" cart has gone - and have it placed back. That too should have materials in it. How far off are we with having visitor booth permanently staffed with volunteers on cruise days?

Thanks,  
Augie

I got a good look the other day. Francis applied for a TWIC card so she will be able to access the terminal.

Hi Lorena,

I have a note saying that we're going to the Cruise Terminal tomorrow. Do you still need me to go or did you get a good look the other day at the plastic placeholders on the walls for PBID materials?

Thanks,  
Augie
